

SEARCHES OF STUDENT AUTOMOBILES ON SCHOOL PROPERTY

Students recognize that parking their automobiles on school property is a privilege and not a right. As part of this privilege, the district may search students' automobiles while parked on school property if the district has reasonable suspicion that a violation of school rules or policy has occurred. Students consent to having their automobiles searched by parking in school parking lots.

In the event an employee of the school district has reason to believe that drugs, drug paraphernalia, or weapons are present in a student's automobile, that employee will inform the building principal, who will then conduct a search of the automobile. The Principal shall document the search.
