

WELLNESS COMMITTEE MINUTES

October 5, 2015 7:00 am

GHS CONFERENCE ROOM

Present: Rae Mello Andrews, School Board; Kent Hemingway, Superintendent; Kim Dubuque, Food Service Dir, Anthony Sperazzo, GHS Principal

STUDENT ISSUES

- School food service participation remains steady with no impact from GES price increase. Installation of water fountain to fill bottles, salads, smoothies, and other choices/options have been well received.
- Discussion about GHS fundraisers in compliance with food policy
- GOT Lunch data, many families eligible for free/reduced meals not taking advantage of either school or community based programs. More information outreach and advocacy to follow.

STAFF ISSUES

- Planning for spring biometric screenings
- Advocate use of Health Trust Smart Shopper program

COMMUNITY

- Discussed Drug Alcohol Task Force presentation Thu 10/8 led by NH National Guard Sgt. Rick Frost

Adjourned 7:30am

Kent Hemingway, Superintendent
